

Central Casting Background Actor and/or Talent Standards of Conduct and Behavior

Central Casting is committed to providing our productions with Background Actors and/or Talent who exercise the highest standards of professional and ethical conduct. When Background Actors and/or Talent are booked on a show or production, they are being hired for work and are expected to conduct themselves in a professional manner at all times.

These guidelines on unacceptable conduct, and others that may be established from time to time, help to protect the rights and safety of productions and employees. These common-sense rules are included here as guidelines to Central Casting's expectations of Background Actors and/or Talent. Productions may also have their own standards of conduct and behavior that are in addition to Central Casting's standards. The following are examples, and not a complete list, of what is considered to be unacceptable conduct and behavior at Central Casting. Please go to our website for the most updated guidelines.

Disciplinary action up to and including suspension and termination may result for any misconduct or violation of company policy and/or procedure.

Some productions may require that you 'check-in' your cell phone to the production staff who will provide you a ticket with a corresponding ticket placed in a plastic bag with your phone. The bag containing the cell phone will be held by production. You will be allowed to use your phone for emergency purposes or as permitted by production.
